

ITR Form Utility released by Department for AY 2024-25

Department has released ITR-1 to ITR-4 and ITR-6 for AY 2024-25, along with a common offline Utility. Taxpayers can now file Income-tax Returns seamlessly with the latest version of Utility, dated 09-05-2024, accessible in the downloads section of the site. Further Two small updates were made by the Income Tax Department in the e-Proceedings column on the e-filing ITR portal.

The changes are:

- A separate page system has been implemented (so no more extensive scrolling)
- New filters system to search and find the desired proceedings (helpful for those who have multiple pending proceedings against them)
